

Carwash Equipment / Soap Technician

- Located in Tullamarine
- Progressive Company

The Company

At DuBois Chemicals Australia Pty Ltd (Prowash Australia) we have a vision to provide superior customer service and supply quality car wash equipment, service, parts and products to existing and future car wash operators throughout Australia.

We are a leading supplier to the carwash industry, offering a comprehensive range of products, technical support, industry training, equipment solutions and innovation that empowers our customers to be successful carwash operators.

The Role

Reporting to the Business Development Manager, this role is a fantastic opportunity for a high-energy, self-starter and customer service driven person. Duties include:

- Installation of our soap system
- Ensure equipment is operating correctly
- Breakdown Support
- Provide accurate site analysis on soap performance
- Managing and developing existing soap customer accounts
- Provide training to customers and staff
- Provide accurate and timely quotes and completion of Sales Reports

About You

We are looking for a person that may not necessarily be a carwash or soap expert, as all training is provided, but a self-starter who has the desire to learn something new and willing to go above and beyond to succeed and achieve. Technical and/or Mechanical flare is required whether it is from a previous role or from your hobby.

Regular interstate travel is required, therefore flexibility is essential.

If you have a trade background and a passion for providing a high level of customer service and willing to learn a new industry, please send a cover letter and resume to recruitment@prowash.com.au
